

INSPIRE AND ACCELERATE

FORE is a national, private, grantmaking foundation focused on inspiring and accelerating action to end the opioid crisis. We are committed to convening and supporting partners advancing patient-centered, innovative, evidence-based solutions to make the greatest impact on the opioid crisis.

Medicaid Resources

Since its inaugural grants in 2020, FORE has consistently prioritized the role of Medicaid in providing access to treatment, prevention, and recovery services. **The following are links to resources created by grantees & staff and links to FORE-supported projects on this issue:**

Resources

- **Medicaid and CHIP Analysis:** Funding Pathways for Programs Supporting Families Affected by OUD/SUD (February 2025)
